"Howard Township recognizes the Cass County Land Bank Authority, the State Land Bank Authority, and the Michigan Gateway Community Foundation for their contributions to the rehabilitation of 1219 Barron Lake Road in Niles.

"After standing vacant for more than five years, this property has been transformed into a rehabilitated single-family home. The Cass County Land Bank Authority led the project with support from the State Land Bank Authority's Blight Elimination Program, while Michigan Gateway Community Foundation funded driveway improvements and approved additional landscaping support.

"Rehabilitation is complete, and an appraisal is underway so the home can be listed for sale. This investment addresses blight, improves neighborhood conditions, and creates a homeownership opportunity in our community. We thank everyone who helped bring this property back to life."
